PETITION TO WITHDRAW APPLICATION FROM ISSUE

August 5, 1997

Hon. Commissioner of Patents  
& Trademarks  
Washington, DC 20231

S I R:

Applicants petition that the above-mentioned application be withdrawn from issue. The purpose of this withdrawal is to allow this application to become abandoned in favor of a continuing application so that an Information Disclosure Statement can be filed with art recently uncovered for consideration by the USPTO.

Applicants enclose the requisite fee with regard to this petition.

Respectfully submitted,

*Milton Klein*

In re Patent No. 5,679,313 NoSimpa :  
Issue Date: October 21, 1997 :  
Application No. 08/472,057 : **DECISION ON PETITION**  
Filed: June 6, 1995 :  
Attorney Docket No. 3238 :

This is a decision on the petition under 37 CFR 1.313 (b) (5), filed August 15, 1997, and received in the Office of Patent Publication, October 17, 1997, to withdraw the above-identified case from issue.

The petition is dismissed.

The petition was not received within sufficient time to prevent issuance of the instant patent. A petition under 37 CFR 1.313 (b) (5) must be received and granted by an appropriate official in the Office of Patent Publication within sufficient time to avert issuance of an application into a patent.

Petitioner may request by way of a petition under 37 CFR 1.182 that the 37 CFR 1.62 request for a filewrapper continuing application be converted to a 37 CFR 1.60 continuing application in order to have the prior art considered by the examiner. The fee for a petition under 37 CFR 1.182 to convert will be waived in this instance. The petition to convert should be directed to the Special Program Law Office and must include the filing of a complete application, i.e., specification, claims and drawings, if required. Information regarding the filing of a petition to convert may be obtained by calling the Special Program Law Office on (703) 305-9282.

This file is being forward to Files Repository.
